

## Main Street Theater MainStage Audience COVID-19 Protocols

Updated October 15, 2021

Patrons will be required to wear masks and show proof of a negative COVID test result (within 48 hours). A vaccination card may be shown in lieu of the test. Photocopies or a photo on your phone of medical records will be accepted.

Our HVAC systems have been upgraded with germicidal UV light purification systems. These systems use photohydroionization technology which is the same technology that is been used in the medical industry to destroy airborne micro-organisms (germs, viruses, and bacteria).
