*Main Street Theater (MST) was founded in 1975 to provide stimulating opportunities for Houstonians of all ages to engage with the performing arts while providing meaningful and challenging professional work for Houston theater artists. MST is a fully professional theater with three programs: MainStage, Theater for Youth, and Education Department. Main Street Theater is a member of Theatre Communications Group (TCG), the national service organization for not-for-profit theaters, of Theatre for Young Audiences/USA (formerly ASSITEJ), the world theatre network of theatre for children and young people, and a founding member of Houston Arts Partners. Our MainStage operates under Actors' Equity Association Small Professional Theater contract. Main Street Theater is funded in part by a grant from the Texas Commission on the Arts.*
